

Nursing & Midwifery

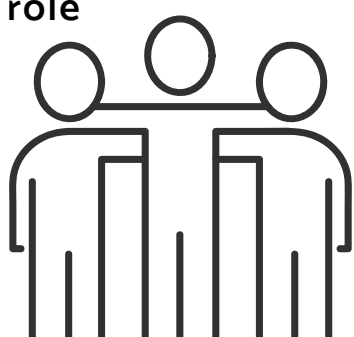

Level 4 Students

1. GET TO KNOW YOUR AA

2 hour group session

This first group session enables students to get to know their Academic Adviser.

- Icebreakers
- Where to get support
- Understand the role of an APA

3. PROFESSIONAL BEHAVIOUR

2 hour group session

This aim of this session is to discuss professional behaviour.

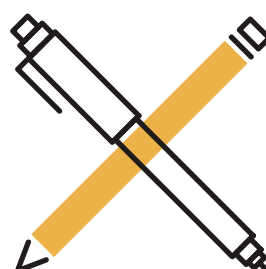

- The Code

2. LEARNING TO LEARN

2 hour group session

This session will allow students to understand how to find a good work/life balance. This will involve explaining the role of the SSA and how to be academically prepared.

- Library Gateway
- Skills Centre
- Studiosity
- iDevelop

4. PRE-PLACEMENT MEETING

2 hour group session

This session will help students to prepare for their placement.

- Practice Assessment
- Personal Development Plan (PDP)

6. INDIVIDUAL MEETING

Individual 30 minute meeting

This 30 minute meeting will allow students to meet with their APA on a 1-2-1 basis to discuss their current academic performance and progress.

- Placement documentation sign off

5. POST-PLACEMENT MEETING

2 hour group session

This session will provide a time for student's to reflect on their placement experiences.
