

Nursing & Midwifery

Level 5 Students

1. WHAT'S NEW?

2 hour group session

This first group session of the year will enable students to check their academic progress and begin to think about how they are doing personally.

- Reviewing iDevelop
- Set goals for L5
- Peer support

3. DEVELOPING AS A PROFESSIONAL

2 hour group session

This session aims to discuss how students can bounce back from challenges and become more resilient.

- Personal Development Plan (PDP)

5. POST PLACEMENT MEETING

2 hour group session

This session will provide a time for student's to reflect on their placement experiences.

2. CELEBRATING PLACEMENT SUCCESS

2 hour group session

This session will allow students to share and celebrate each others successes on placement. This will allow them to be proud of their course and profession.

- Social media and the nursing profession

4. PRE-PLACEMENT MEETING

2 hour group session

This session will help students to prepare for their placement.

- Revisit placement documentation
