

# The Research-Based Curricula Programme

[www.researchbasedcurricula.com](http://www.researchbasedcurricula.com)

The Research-Based Curriculum aims to support student attainment and university progression by providing classroom resources about cutting-edge research to local schools in South Yorkshire.

We are now **recruiting postgraduate researchers** to design 6 high-quality teaching resources for local schools based on their own academic research.

Limited 12 places for Autumn 2018

**Earn £400**

**Apply before November 30<sup>th</sup>**
