SIPS RESEARCH SHOWCASE AND POSTER COMPETITION

We are pleased to announce that the SIPS Research Showcase and Poster Competition is back this year as part of the PGR Showcase Event run by the Doctoral School. The in-person event will occur on Friday 16 June, at the City Campus. We have also introduced a new strand to enable PGR students to present with the consent of any staff collaborators on projects they have been employed to work on (e.g., as a Student Researcher or Research Assistant).

Support before the event

To support applications this year, we have introduced support sessions covering abstract writing, poster presentation and presentation skills for the event. These sessions will last approximately one hour but will be an opportunity to see some previous examples and to ask questions. You can book to attend these sessions via the following link: https://forms.gle/avAB5CFBrdx822W27. Please see below an outline of the dates/times and locations:

- Friday 12 May (10-11) Online (https://msteams.link/WO8M)
- Friday 12 May (3-4) Online (https://msteams.link/DESG)
- Monday 15 May (10-11) Collegiate (HC.0.13)
- Monday 15 May (3-4) City (Aspect Court 15201)
- Friday 19 May (10-11) City (Aspect Court 15201)
- Friday 19 May (3-4) Collegiate (HC.0.13)

Abstract and Poster Submission

All abstract submissions must be in by Sunday 21 May, with further details about the event provided following. If you wish to submit your 200-word abstract without attending the support session, you can do so via the link: https://forms.gle/XjwXZT4GiatdU7vV8. A PDF copy of your poster must be emailed to the organising committee by Friday 2 June to enable us to print a copy ready for the showcase.
