**SHEFFIELD 10K
SUNDAY 30th OCTOBER 2016**

Dear Resident / Business Owner

I am writing to inform you of a new 10K event coming to Sheffield, which will be organised by Run For All.

As proud organisers of the Yorkshire Half Marathon – Sheffield, Run For All are pleased to return to Sheffield and bring an exciting new 10K to the city. Our events have seen huge success over the years, with places selling out faster every year and much-needed funds being raised for a variety of good causes. Entries are now open so if you are interested in taking part or getting involved, please visit www.runforall.com.

The Sheffield 10K will take place on Sunday 30th October 2016, starting in the city centre at 09:30. We have now finalised the details of the new route and have endeavoured to ensure it is safe for our runners, while causing minimal disruption in the city and surrounding areas. We have sent this letter to residents and businesses on route which will be directly affected by the event. A copy of the route map and approximate road closure timings can be found overleaf.

Most road closures on the route are likely to be in place between 08:30 and 12:00, though some roads in the city centre will be closed from 04:00 until 16:00. We will endeavour to re-open roads on a rolling basis as soon as it is safe to do so.

Detailed road closure information will be delivered to residents and businesses closer to event day and our team will be happy to assist with any access enquiries at that time.

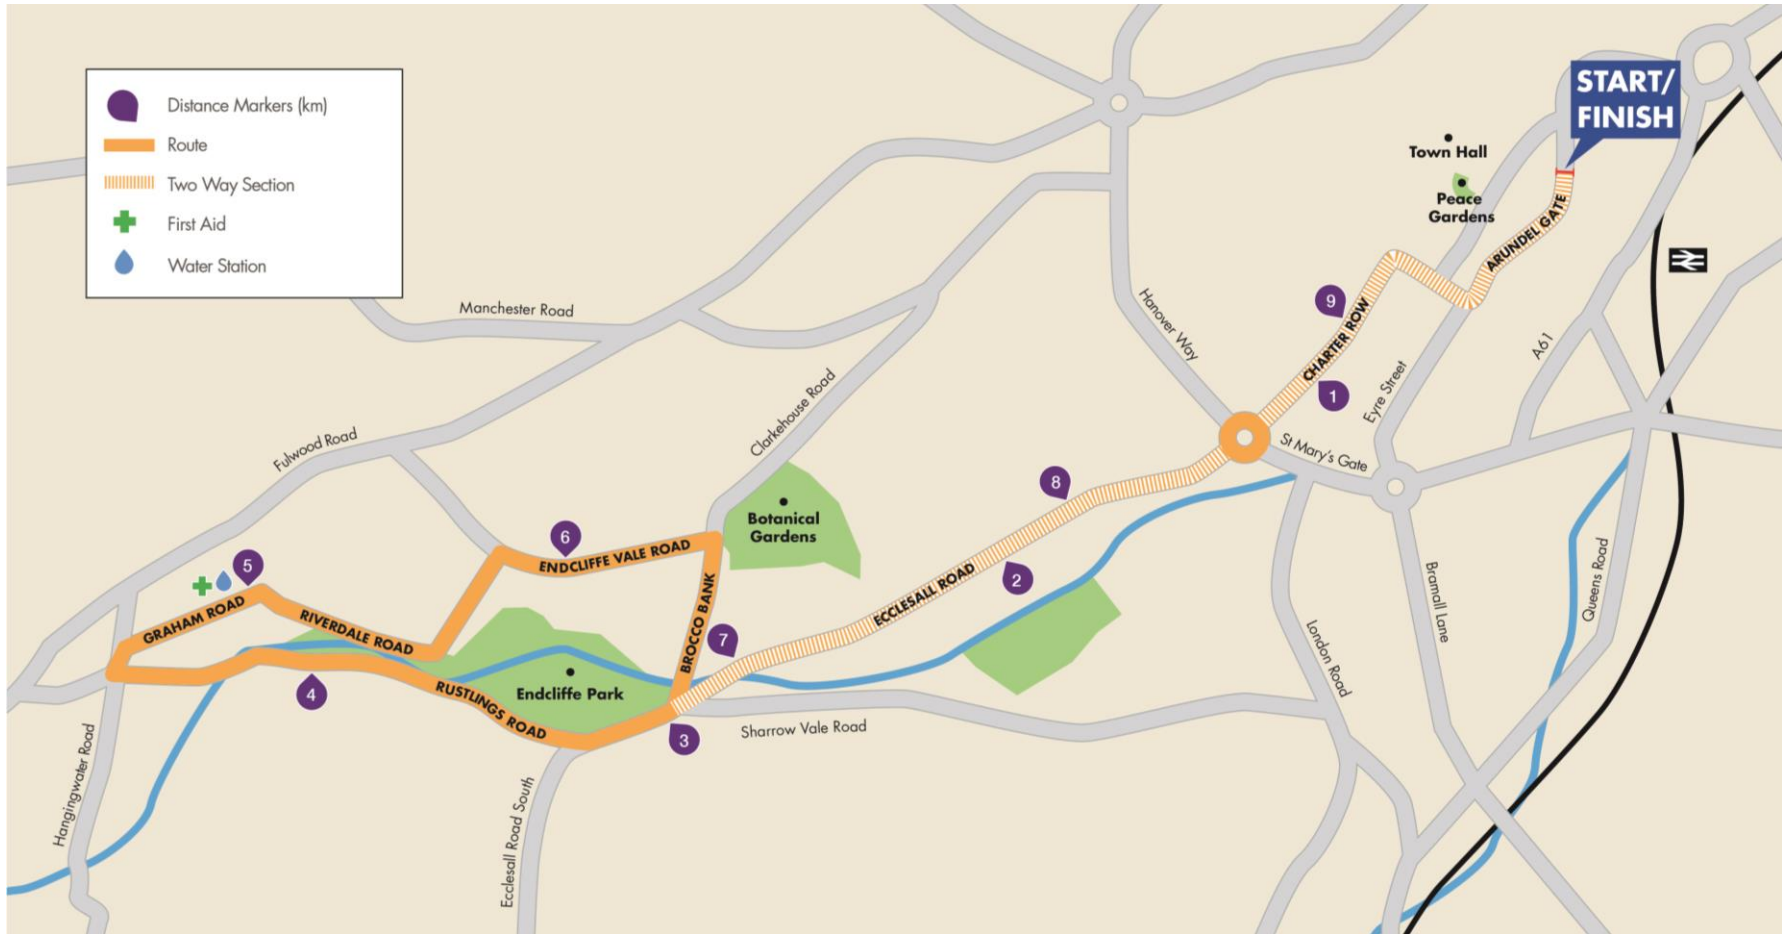

I would like to thank you in advance for your support of the new 2016 Sheffield 10K.

Kind regards

Tristan Batley-Kyle
