Who is NCP ParkPass for?

- Anyone who has a special Saver deal for local NCP parking
- Regular parkers looking to save on parking at additional car parks across the UK

Why should I sign up?

- Will provide 'tailored to you' discounted parking
- Automated payment for your parking
- No more payment machine queues
- Provides a quick and easy parking experience
- Register up to 4 vehicles on any one account

How to register (it's really easy)

First, go to www.ncp.co.uk/ncpparkpassregister

- 1** Add your personal details
- 2** Fill in your vehicle details
You can register up to 4 vehicles on one account, but only single vehicle use per account permitted at any one time.
- 3** Choose your account type and tell us how you'd like to pay
- 4** Enter your Saver ID and activation code (if applicable)
This will activate your special Saver deal. See your NCP ParkPass letter for details.
- 5** Tell us which alerts will help you best manage your account
- 6** Opt in to receive exclusive offers to your inbox

Your NCP ParkPass card will be posted to you within 6 working days of registration. But remember, until then, you will need to pay for your parking as normal.

* The minimum 10% discount excludes any car parks included in your Saver deal, where the Saver deal rate will prevail. The discount cannot be used in conjunction with any other offer, discount or Saver deal.

How to use your NCP ParkPass

Entering the car park

- Do not press the button or take a paper ticket
- Instead, insert or scan your NCP ParkPass card
- This will raise the barrier and start your parking session

Leaving the car park

- Do not pay or use any payment machines before you leave the car park
- On exit, insert/scan your NCP ParkPass card at the exit barrier
- This will raise the barrier, end your parking session, and process an automated payment*

*NCP ParkPass will calculate the cost of your parking session and apply any discount for you at that particular car park. Your chosen account type will be debited automatically with the cost of your parking session.
