Dear Lorna,

On behalf of all our staff, volunteers and most of all our children , we would like to thank you and your colleagues for supporting Amy's House over the last two years.

Your contribution of £1326.00 in total this year is absolutely fantastic.

I also appreciate your commitment to us and your enthusiasm for our cause. We are very grateful that such a prestigious organisation such as Sheffield Hallam University has chosen us for so much support.

The money you have raised has been spent in three ways:

1. We bought four lots of new equipment including a roll tunnel and a wheel around for our kids to use on Saturdays. These totalled £657 and we used the donation of £505.19 to put towards that.
2. We took on two new members of staff to work as and when needed and so far these young ladies have cost us £756. We used some of your donations to put towards this expenditure.
3. The rest of the money £65.51 went to buy petrol for two trips out over the Easter Holidays to the Yorkshire Wildlife Park.

Thank you once again for your wonderful donations. As you can see every penny you raised has gone towards something for our children and again we are very grateful for your help.

Thank you for two years of fun also! I have loved coming to see you all and getting involved with your events.

Yours sincerely,

Jayne M Hurditch
