COSTS

You must estimate the full costs of your project, as follows:

- Transport - include estimate AND supporting evidence
- Accommodation - include estimate for total duration of trip (number of days x cost per night) AND supporting evidence for this estimate. If accommodation costs are included in the programme fee leave as £0
- UK/In-country transfers - please include estimated cost of round trip to airport. If included in programme fees, please leave as £0.
- Daily subsistence - include a realistic estimate for daily expenses for the total duration of trip (number of days x cost per day)
- Please list the other relevant costs AND provide supporting evidence for the estimate

FUNDING

You must estimate other funding you receive for your trip

- Own Funds - please estimate the amount of own funds you plan to use to fund some of the costs
- Funding in kind - please estimate the financial equivalent of any support you may be receiving in kind. For example, if the organisers of your placement are providing free accommodation, the accommodation cost estimate should be listed as funding in kind
- GoGlobal Funding - Please include the amount you request from the GoGlobal Fund

There is no fee, and the placement organisation is providing accommodation for free
