

Enhance your Mentoring Skills

A free, open, online course (SHOOC), developed through teacher education partnerships in Doncaster

For all mentors in an educational context, including school mentors, and senior mentor coordinators

"The opportunity to reflect on what mentoring is, why we do it and how we do it has been invaluable in boosting my confidence and in helping me to move forward within my role".

**Sarah Jackson, Wath
Comprehensive School**

Who is it for? The course is part of the **Mentor Practice Enhancement Programme** offered by Sheffield Hallam University in partnership with Partners in Learning, Doncaster. The curriculum is mapped to the **UK National Standards for school-based initial teacher training (ITT) mentors** (2016). Professional recognition takes the form of 'Badges', awarded for successful tasks, and a certificate for completed participation. The tutor team includes school mentor trainers and university staff who specialise in teacher education.

What does it involve? The SHOOC opens online for registration on 13th November, 2018 and will remain open until 30th September 2019. Participants are given a Pebblepad account and access to all the materials and activities, including five workbooks, and work in their own time (approximately 25 hours in total), online, to complete the e-tivities (**see over for more information**).

"The SHOOC was extremely helpful in developing my approach to giving my mentees feedback. I have gained a lot from the course and feel that I am a stronger mentor as a result".

**Tess Meaker, Norfolk
Park School**

"All the elements with respect to the mentoring standards were covered ... (with) expert speakers (and) chat with other people on the course. The webinars ... with all the interactive parts... workbooks and case studies ... put things into context and contain a lot of easy to read, useful information".

**Julie Thornton, Ravensthorpe
Junior School**
