Responding to your offers

You will need to respond to your offers on UCAS by a deadline.

Firm choice

- This is your top University/course choice

Insurance choice

- This is your second choice University/course
- It should have a lower offer than your firm choice, but somewhere you'd still be happy to go to
- If your firm choice is an unconditional offer, you don't need an insurance choice

You can't choose between your firm and insurance when you get your results, so make sure you're happy with which is your firm and which is your insurance before you reply.
