MIND THE GAP

Bridging Theory and Practice
in the Post-Covid Era

8th, 9th & 10th June 2022

Sheffield Business School, part of [Sheffield Hallam University](#), is delighted to be hosting the UFHRD/AHRD 2022 Conference. The Annual Anniversary International Conference is supported by the University Forum for Human Resource Development (UFHRD) and the Academy of Human Resource Development (AHRD).

The UFHRD/AHRD conference is the flagship event and the annual meeting place for academic researchers and practitioners working in people management and related fields. This conference holds a unique place in bringing together these two communities to hear about cutting edge research in HR and OD, with active discussion on how it can be applied in scholarship and practice, as we slowly recover from the devastating pandemic.
